FACULTY/STUDENT MENTORING AGREEMENT

GOALS
The major role of a mentor to undergraduate students is to assist them in acquiring the skills and protocol needed for academic success during their undergraduate matriculation. The mentor serves as a facilitator, assisting students in setting goals, identifying obstacles, constructing a plan of action, monitoring and evaluating progress, and celebrating success. Additionally, the mentor serves as a liaison to other campus resources, such as the Academic Center for Excellence and Success (ACES), Counseling Center, Career Development Center, and Health Services.

SCHEDULE
Meetings are whole group, small group and individual; with time, location, and duration determined by mentors and students. Topics of discussion may include, but are not limited to: concentration, motivation, time management, organization, note taking, textbook reading, stress management, test preparation, test taking, experiential learning opportunities, opportunities in the discipline, research interests, research skills, graduate/professional school choices.
